Vancouver, WA 98685

Dear Mr. Hanson

**Subject: Acceptance of FAA STC SR01394SE**

This is in response to the FAA Seattle ACO letter requesting Transport Canada approval of the subject STC.

In accordance with our current policy associated with the review of foreign STC's, some STCs applicable to certain categories of aircraft may be accepted solely on the basis of their foreign certification, and do not require the issue of a corresponding certificate by Transport Canada. The subject STC falls within these criteria.

This STC will be entered in the national index of STCs that have been reviewed and accepted by Transport Canada for installation on Canadian registered aeronautical products.

This letter confirms formal acceptance of the referenced STC by Transport Canada.

Yours truly,

Henry Wong  
for  
Regional Manager  
Aircraft Certification
