To,
Mr. Ross Landes
Manager, Seattle Aircraft Certification Office
Transport Airplane Directorate
1601 Lind Avenue SW
Renton, Washington 98057-3356
USA

Subject: Transport Canada Acceptance of FAA STC SR02447SE

References:

1. FAA letter 102S-15-242, dated September 04, 2015
2. TCCA Staff Instruction 513-003 "Acceptance and Approval of Foreign Design Changes"

Dear Mr. Landes,

This is in response to reference 1, requesting a Transport Canada approval of the subject STC.

In accordance with current policy associated with the review of foreign STCs (reference 2), FAA STCs applicable to Normal Category rotorcraft which were type certified on the basis of FAR 27 or equivalent standards, for which the U.S. is the State of Design are exempt from a type design examination.

The subject STC falls within the criteria and can be used in Canada without review by Transport Canada. As such, no acceptance letter will be issued for this application.

Should you require further information or wish to discuss the enclosed, please do not hesitate to contact me by telephone at 604-666-5269 or by email at robert.metz@tc.gc.ca.

Yours truly,

Robert Metz
Regional Engineer
Aircraft Certification (TAHI-VAN)
Pacific Region
